

FUNDRAISER KICKS OFF!

The first meeting of the Kidder County Sports Complex Fundraiser Committee was held on September 25th. The meeting was well attended and very productive. Several fundraising ideas were discussed and many in attendance volunteered to handle various aspects of the fundraising campaign.

Thanks to Karen Brandt of Countryside Designs & Signs for donating the fundraiser sign that has been placed at the football field.

Now we need your help to move the ball to the 10-yard line or beyond. You can help move the ball by mailing your tax deductible donation to: Kidder County School District, attn: Ken Miller, P.O. Box 380, Steele, ND 58482-0380. If you have questions about the fundraising campaign or the planned improvement project, give Ken a call at 701-475-2243.

The next fundraiser meeting is scheduled for Tuesday, October 14 in the Steele-Dawson school library after the home volleyball game. All interested volunteers are welcome.
